Backpack Explorer

The high-class and ideal backpack - optimum carrying comfort for long walks in the country.

These super lightweight and comfortable backpack allows you to carry your baby close to your body and to protect your back at the same time. The depth of the backpack can be adapted to your child's age and ensures a comfortable carrying experience.

The 5-point harness system can be adjusted individually. The simple application, the good fit and the comfortable padding and the even distribution of weight across your back offer excellent comfort.

The removable hood with integrated rain cover allows you to take your child with you wherever you go and no matter what the weather. A spacious basket and a practical utensil pocket with zipper provide ample space for stowage of various baby items. A practical changing pad is also included in the delivery.

Explorer - the backpack for active parents!

Highlights:

carrying system can be adjusted individually

mobility for your daily life

optimal fit

can be carried in a back-friendly manner
